6. All the documents (application form, supporting documents and DD) must be posted or handed over physically.

## **NID 2014 Exam Pattern**

The entrance exam usually consists of 2 phases:

1. Phase I: Design Aptitude Test

The duration of the written exam is 3 hours and total marks are 100. It is usually conducted in January.

It tests students' ability in design problem solving, observation and perception, environmental awareness, communication skills.

1. Phase II: Studio Test, Personal Interview and Portfolio Presentation

Studio test usually has 3 parts namely doodling, 3D modeling, and observation. It is usually conducted in April.
